Singaporean MA Digital Journalism graduate with a background in news, advertising and public relations. Multidisciplinary skillset includes data investigations, financial journalism, video editing, design and editorial writing. Professional experience in UK, Singapore, and Cambodia. Encyclopaedic knowledge of food history and perpetually hungry for new projects.

PROFESSIONAL EXPERIENCE

Investigative Volunteer, Action on Armed Violence *Sept 2026 – Ongoing*

- Financial research into the defence industry. Published reports on Israel's defence industry, the impact of war on crypto perpetual futures and hedge funds with significant investments into the arms trade.

Investigative Intern, Airwars *May 2026 – June 2026*

- Led a data-driven blockchain investigation into insider trading on Polymarket around the start of the Iran war. Built my own engine to discover anomalies from API data.
- Worked with CNN and Airwars to investigate AI's involvement in the Minab school bombing, alongside other incidents of civilian harm in Iran.

Senior Copywriter, BBH, The Secret Little Agency & Anak *2022 – 2025*

- Branding work shortlisted for D&AD in 2024. Judged D&AD Writing in Design for 2025. Won multiple awards in Marketing Effectiveness.
- Creative agency work in both the public and private sectors. Notable clients including KFC, Philip Morris, Singapore Tourism Board, Agency for Integrated Care, Vattanac Breweries and Marina Bay Sands.
- Led creative work and business pitches for accounts billing $300,000 per quarter as well as project-based campaigns for the companies' largest clients.

Operations Manager, Parchmen Coffee *Nov 2020 – Nov 2021*

- During a career break, I started cleaning floors for a local coffee roastery. The gig eventually morphed into ecommerce, food delivery platforms, payroll, food safety, and the opening of 2 new cafes linked to a central kitchen.

Staff Writer & Interim Editor, Rice Media *Dec 2017 – Oct 2020*

- Independent media startup covering culture, politics and lifestyle in Singapore. Monthly reach of 500,000 readers across South-east Asia. Specialised in longform essays.
- Notable editorial work includes stories on Economic inequality, migrant worker rights, local politics, food history and cultural commentary.
- Investigative work on Sichuan food was turned into a CNA documentary. Other articles were syndicated as audiobooks and made into an exhibition at the National Museum of Singapore.
- Led the team as an Interim Editor during the Covid-19 pandemic. Helped to break the news of inadequate covid-19 protections for migrant workers living in Singapore's dormitories.

PR executive, Strategic Public Relations Group *Oct 2016 – Dec 2017*

- Managed public relations, social media and content creation for public and private sector clients across Asia-Pacific. Major clients include Melco

Entertainment (Macau), Sinar Mas (Indonesia) and Land Transport Authority (Singapore).
